MULTI-USE Tips & Adapters

EASY

It's an easy switch to the Multi-Use system.

- You need only one adapter for your torch – heat, cut or weld – just change the tip.
- Tips are available for all major brands and a complete range of sizes for all gases.
- Quick and easy tip change.

SAVINGS PLUS INCREASED PRODUCTIVITY

- Low initial cost.
- Multi Use system can save you 60%, or more, on replacement costs.
- Eliminates torch head re-seating.
- Increase productivity – decrease down time to change tips.

Original worn out tip.

STEP 1

Remove standard tip nut and worn out oxy-fuel tip.

STEP 2

Replace standard tip nut and desired adapter.

STEP 3

Install selected oxy-fuel tip.
